

Introducing the sharp shirt defender

Integrated with other kitchen appliances, AEG's built-in washing machine makes less noise while providing absolute care. ProSteam® uses vapour at the end of cycles to reduce wrinkles while refreshing garments between cycles. Minimising the need for ironing and dry-cleaning for items like shirts.

Product Benefits & Features

ProSteam uses steam as a quick and easy way to refresh creased clothes so they're ready to wear. The short, gentle programme safely removes odours and reduces creases in dry fabrics. Or you can finish your wash cycle with a gentle steam so clothes need little to no ironing.

Customised cycles with ProSense Technology®

ProSense Technology® automatically weighs each load to provide a tailored cycle. Sensors then adjust washing times precisely, ensuring optimum treatment for every garment. Your laundry comes out with that fresh, new feeling every time, plus you save water and energy.

Softener reaches every fibre with SoftPlus

SoftPlus makes sure that softener reaches every part of the fabric when it enters the drum, it helps your clothes feel softer, silkier, and smoother than ever before

- A class wash performance
- Option to tailor programmes including:
- B class spin performance
- Load capacity 7kg
- Outdoor sports programme
- Wool programme
- Aqua Control
- Built-In Washing Machine
- Child safety lock
- 7 kg wash capacity
- 3-compartment detergent dispenser
- Low water and electricity consumption: 52 litres/wash, kWh/wash
- LED display
- Large LCD display
- Options include:
- Programmes include: Eco 40-60, Cottons, Synthetics, Delicates, Anti Allergy, Steam, Spin/Drain, Rinse, Sport, Duvet, 20min 3Kg, OutDoor, Denim, Wool \Silk

A quiet machine for a comfortable home

The quiet washing machine ensures low noise levels when running a cycle. Minimising disruptions and maintaining a comfortable home.

Product Specification

PNC	914 580 238
EAN number	7332543821969
Height (mm)	819
Width (mm)	596
Depth (mm)	540
Net Weight	68.5
Colour	White
Water consumption	52
Depth max, mm	553
Full load wash capacity, kg	7
Max spin speed, rpm	1151
Washing performance	1.04
Spin drying efficiency label	B
The energy consumption of the eco programme in kWh per cycle (EU 2017/1369)	0.688
